DISCLAIMER

"In any adventure activity, there is an element of risk involved. Risks in undertaking this activity are part of usual Maritime conditions. The staff and management of Dream Weaver Charters Limited take all practicable steps to identify and minimize potential dangers. However, you must follow our instructions and use the safety equipment provided at all times. Adults accompanying any persons under the age of 18 must ensure that the underage person follows our instructions at all times. You must release or indemnify Dream Weaver Charters Limited and our staff against any liability we incur to anyone else, resulting from your failure to follow our instructions or the failure of any person accompanying you under the age of 18 to follow our instructions. We reserve the right to withdraw any person who in our opinion is likely to endanger themselves or others. We also reserve the right to cancel the cruise if we become concerned for any reason for your safety or that of any other person. Under New Zealand law it is extremely unlikely that you will be able to sue anyone if you are injured. In addition, New Zealand's accident compensation scheme provides only limited assistance to visitors to New Zealand who are injured. We strongly recommend that all visitors to New Zealand have full insurance covering any injury they might suffer, including medical treatment cover, before undertaking this activity. To the extent permitted by law, all our liability for damage to your property, disruption to travel plans, or mental injury is excluded. This exclusion is subject to any rights or remedies you may have under the Consumer Guarantees Act 1993."

New Zealand's Best Value & Unrivalled Experience

AN EXPERIENCE NOT TO BE MISSED

A MAGICAL ENCOUNTER

MV Dreamweaver, a comfortable, stable, high speed, well appointed 18 metre catamaran featuring full walk-around decks for 360° viewing. Dreamweaver is purpose-built to enable viewing of dolphins riding the bow waves.

New Zealand's best kept secret, the Hauraki Gulf is a very special place. Its waters and islands are home to outstanding biological diversity and to those in the know, it is regarded as one of the best places in New Zealand to view marine life.

Unsurpassed when it comes to marine mammals, more than 30 different species have been recorded in and around the Auckland coastline. As we sail into the blue, we search for our target species, the Common Dolphin, and remain vigilant for opportunistic encounters with Bryde's Whales, Bottlenose Dolphins and Orca, otherwise known as Killer Whales.

Bryde's Whales are present in the Gulf throughout most of the year and can be opportunistically viewed when in association with feeding Common Dolphins.

The Hauraki Gulf is known to be an important feeding area for this dolphin. One of only a few places in the world where Common Dolphins can be viewed year round,
